Upon arrival, get your hearts ready for the main highlight of this tour – a thrilling **Northern Lights chase** that is guaranteed to be a once-in-a-lifetime adventure you will never forget. Witness Earth's most magnificent and colourful lights show with the expertise of a local guide, who will drive for up to 7 hours to unearth the best locations for you to watch the Northern Lights. Should the Northern Lights appear, a professional photographer will also be present to assist you in capturing perfect pictures of the captivating phenomenon.

Note: We are unable to guarantee that you will observe the Northern Lights as it is a natural phenomenon and is subject to weather conditions, but if we miss the Northern Lights during the activity, we are willing to arrange for another aurora chase on without additional charge should you wish to give another attempt.

Day 3 TROMSO (B)

Free at leisure on your own to explore Tromsø. You may want to join an excursion for a **Whale Safari Adventure** where some of the world's biggest mammals visit the fjord landscape around the little town in Tromsø in Northern Norway to feed on herring. The whales often come close to the boat as they are very curious, so be prepared for big splashes. The experience here in the North Norwegian waters is completely different from the rest of the world because the whales come here to feed and hunt, and they are extremely active. Remember to bring your camera, and you could take the shot of your life, not just of whales, but also other wildlife like seals or sea eagles.

Day 4 TROMSO – SENJA (B/D)

Begin the day with a **Tromsø** sightseeing tour that will bring you to some of the best attractions in the city. The centre of Tromsø has a rich neo-classical architectural heritage, dotted with both beautiful as well as dilapidated buildings from later periods. We will take a **cable car** that runs from Solliveien in Tromsdalen up to the mountain ledge **Storsteinen** (421m above sea level) in the gondolas. From the viewing platform at the upper station, you can enjoy spectacular panoramic views of Tromsø and the surrounding islands, mountains and fjords. Make your way to the beautiful **Senja**, Norway's second largest island, located far above the Arctic Circle. Here you will be greeted by an awe-inspiring mix of sea, mountains, beaches, fishing villages and inland areas, all located within a few hours' drive. We will stay at **Hamm i Senja**, a holiday resort beautifully located on the west coast of the Senja Island where the Northern Lights often display themselves by the sea. Tonight, choose to do an optional Northern Lights Husky Sledding activity. This magical experience will let you mush your own team of adorable huskies under the starry night sky. While here, you might also get a chance to witness the mysterious aurora borealis.

Day 5 SENJA – SVOLVAER (B/D)

Take a walk on the wild side as we head to **Polar Park** – the world's northernmost wildlife park where you can meet bears, wolves, lynx, wolverines, polar foxes, moose, red deer, reindeer and muskoxen; get up close and personal with the wolves in their enclosure and cuddle with the adorable polar foxes. Thereafter, proceed to **Svolvær**, capital of the **Lofoten Islands**.

Note: The appearance of the Northern Lights cannot be guaranteed as it is a naturally occurring phenomenon and is subject to weather condition.

Day 6 SVOLVAER – REINE – SVOLVAER (B/D)

Traverse through the islands of Lofoten and delight in the idyllic coastal scenery of **Vestfjord** along the way. Our first stop is the fishing village of **Henningsvær**, marvel at the vista of impressive mountains surrounded by the clear, blue sea. Drive along the fjord and continue to **Reine**, located in the southern part of Lofoten and well-known as one of the most beautiful village in Norway.

Day 7 SVOLVAER – HARSTAD (B/L/D)

Embark on a great nature expedition today as you head out on a **Sea Eagle Safari**. Discover more about these majestic birds of prey and watch them in action at thrillingly close quarters as you throw fish into the sea for them to dive and collect. Pay a visit to the **Reindeer Farm** to see Santa's iconic reindeers, learn more about this uncommon animal as well as the lifestyle and practices of the Sami people that remains deeply entwined with the reindeer.
